STEP ONE

1 Find the entrance

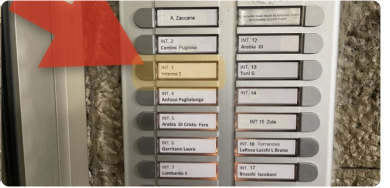

Arrive at Via Lorenzo il Magnifico 158 . The gate is between the Auto Moto shop and Anytime Fitness. Ring **Interno1** on the intercom to the left of the gate : we will open it automatically.

STEP TWO

2 Second door in the hallway

Once inside the hallway you will find a second glass door . There is another intercom on the right: ring **Interno1 (INT. 3)** and we will open this one too.

STEP THREE

3 The key box

Immediately on the right you will find our door with the InternoUno logo . Next to it is the security key box with your keys.

KEY BOX CODE

3044 + E

Enter 3-0-4-4
Press E (bottom right)
Turn the handle clockwise

What you will find inside

Magnetic fob
Opens both entrance gates — it is the black RFID key fob (not a traditional key!)

Large key
Main InternoUno door

Room key
Your room (number on key)

Attention — all rooms are inside the apartment

Once you have the keys, do not look for rooms in the building . InternoUno is a small guesthouse: all rooms are inside the apartment, entering through the door with the InternoUno logo to the left of the key box .

STEP FOUR

4 Your room

Once inside, the reception is in front of you . Find the door with the number matching your key.

Rooms 1 & 2
Immediately to the right
